

Y4 Long Term Plan 2025-2026

	Autumn 1 (3 weeks)	Autumn 1 & 2	Spring 1	Spring 2	Summer 1 (3 weeks)	Summer 1 & 2
Topic	<p align="center">Cracking Contraptions</p>  <p>We start the year with a short topic 'Cracking Contraptions' where we delve into electricity and circuits, inspired by the wonderfully wacky inventions of Wallace and Gromit.</p>	<p align="center">Extreme Earth</p>  <p>During this topic, we will focus on all things geography, exploring mountains, volcanoes, earthquakes and more. We engage the children in all things extreme as well as exploring a range of texts from other cultures and differing genres.</p>	<p align="center">Myths and Legends</p>  <p>This topic brings together our English units and our history focus on the Ancient Greeks, providing the children with a multitude of myths to read, perform and use as a stimulus for their own creative work. We will focus on the legacy of the Greeks within our history sessions and how they have impacted Britain today.</p> <p align="center">Ancient Greek Theme Day</p>	<p align="center">Are animals all the same?</p>  <p>This topic allows us to delve deeper into our knowledge of humans and animals. We begin by looking at animals, incorporating patterns and art work before moving on to look at humans – specifically teeth and the digestive system.</p> <p align="center">Marwell Zoo Trip</p>	<p align="center">Sound</p>  <p>This topic consolidates our learning of science throughout the year, focusing on the human ear and sounds. We will look at how sounds are made, investigate vibrations and work scientifically to learn all about sound waves.</p>	<p align="center">Should we thank the Romans for invading Britain?</p>  <p>During this topic, we will explore how Celtic England changed when the Romans invaded Britain and whether these changes were an improvement to daily life.</p> <p align="center">Fishbourne Roman Trip Pop-up Roman Museum</p>
Learning Challenge	Can we use our knowledge of electricity and circuit to create a game for younger children to enjoy?		Can we teach others about the legacy of the Ancient Greeks?			Can we teach others about all we have experienced and learnt during our residential trip?
