

Dear Parents,

Welcome to our exciting and fun-packed summer term! We start the term with a mini science topic, where we learn about all things sound related before we move on to begin our history topic about the Romans focusing on the question 'Should we thank the Romans for invading Britain?'. Excitingly, we will be expanding our Roman knowledge on our trip to Fishbourne Roman Palace on 3rd June. Alongside this, the children will enjoy tennis lessons across the road and take the stage for the Summer Concert!

Our topic web for the term is also available. This gives you an overview of the areas of study that we will cover over the coming weeks. We would like to highlight the following points regarding the forthcoming term:

Home Learning

Home Learning will continue to be sent home on **Fridays**. Each Friday your child should come home with their Home Learning folder containing their **Home Learning sheet** (with **weekly spellings**), and a reading book. Please ensure that all these items are returned to school on the following **Thursday** so that we can keep you informed about spelling test results. We love to see what the children have been doing at home so please encourage them to bring in their learning to show and share at school or email us a picture!

4BC – 4BC@pirbright.surrey.sch.uk

4LB – 4LB@pirbright.surrey.sch.uk

Multiplication Tables Check

As you are aware, the children need to have mastered all times-tables by the summer term when they will take part in the national assessments. Please see letter attached for additional information. Here is a link to a useful website to practise the format:

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

P.E.

P.E sessions usually take place on a Tuesday, Wednesday or Thursday however this can vary so it is important that your child brings their full P.E. kit (royal blue T-shirt & shorts, trainers, dark, plain tracksuit for outdoor P.E.) to school on a **Monday** and takes it home on a **Friday** for washing. Earrings are not to be worn during PE and hair longer than shoulder length needs to be tied back. For girls who wear tights, please supply a pair of socks.

Stationery

It is important for all the children to have a fully-stocked pencil case in school. Key contents include black handwriting pens, HB pencils, an eraser, sharpener and glue stick. If they have their own wipeable whiteboard pen, that is also really useful.

Reading

We know that good readers become good writers. It would be great to have your continued support with this by hearing your child read regularly at home with you. Please make sure you are logging your child's reading on Boom Reader.

Please do not hesitate to contact us at any time during the year if you have any queries.
We look forward to an exciting term,

Miss Bartholomew, Miss Collins
