Reading Challenge

Well done! You are flying through these challenges now but don't worry there are plenty more books to read. Below I have listed some of the most popular children's book authors for your age group. Have a look in the library and your book corner to find one of the titles they have written, then write down the title of the book you chose, ask an adult to sign the brick, colour it in once you have read it and then choose your next book. Once all the bricks are signed and coloured, show it to your teacher to receive your Jade Reading Challenge certificate. Good luck and Happy Reading!
