

Pearl

Reading Challenge

It seems that you have read a lot of books already. Before you begin reading the next set of books you will need to use your brain a little. Below I have listed some of the most popular authors of children's books. Your job is to choose one of their books to read, write down the title of the book you chose, ask an adult to sign the brick, colour it in and then choose your next book. Once all the bricks are signed and coloured, show it to your teacher to receive your Pearl Reading Challenge certificate. Good luck and Happy Reading!
