# LEARNING AT THE SPEED OF LIFE

Opportunities at Pirbright Village Primary School are vast.

These are some of our achievements from last year.

# MILITARY MATTERS

- ✓ Surrey's largest primary school for Service Children.
- ✓ Our PEDALS (Promoting Emotional Development and Life Skills) team provide pastoral support as needed.
- ✓ Service Premium funding all goes towards pastoral support.
- ✓ Excellent academic outcomes.
- ✓ SEND support and inclusion is at the heart of the Pirbright Values and ethos.
- ✓ Partnership with parents.
- ✓ Partnership with the Service Community (links to the Army Welfare Service, Primary Healthcare Board, Peter-Pan Pre-School, home visits).
- ✓ Annual whole school visit to Brookwood for Remembrance.
- ✓ Passing Out Parades.

# SERVICE PREMIUM

At Pirbright we are incredibly proud of our links with the military and have children from a range of different service backgrounds across the local area. We work hard to ensure transition, both in and out of school, is as efficient as possible for parents whilst welcoming the children into our community with open arms. Our objective is always to ensure that children feel settled, safe and happy as soon as possible so they can begin their learning journey with us and be fully integrated in our school community and all it has to offer.

The purpose of the school's Service Pupil Premium (SPP) is to support children who come from military families during challenging times and, as a school, we receive a sum of money for each of our children who have serving parents. The aim is to reduce the potential impact of being in a service family during difficult times, be that with mobility or deployment. The school must provide planned provision over time and the school have full responsibility for how we spend our SPP. It is not a fund which can be directly accessed by parents of eligible children.

## Service Premium Strategy Statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

# OFSTED

We were inspected in 2023 and graded as GOOD. Our inspection report can be read here...

The early years environment is stimulating and caters well for all the areas of learning. Good routines and high expectations mean that children have a solid foundation to build on as they start school.

Reading is a priority for leaders. Pupils have a love of reading.

Leaders have developed an ambitious, well-planned curriculum, that captures pupils' interests and enables them to achieve well.

Teachers are excellent role models. Pupils are encouraged to take advantage of their learning opportunities and achieve their best.

Pupils learn in a happy environment where leaders always put the needs of pupils first.

The care and compassion shown by staff is exemplary.

# PROMOTING EMOTIONAL DEVELOPMENT AND LIFE SKILLS (PEDALS)

At Pirbright Village Primary School it is understood that for pupils to be successful academically, they need to be happy and feel safe in their environment. At times in a child's life, there will be moments when they feel insecure, worried or concerned. There will also be times when children go through changes in circumstance, which may result in home life straying from what they know as the norm. During these times, our PEDALS Team is here to help.

Erin Hinzman, PVPS's Home/School Partner, and her colleague, Mrs Nuttall, are here to help pupils and their families during periods of anxiety, uncertainty and/or upheaval by offering Talk Time, along with focused support, to explore feelings and identify useful coping strategies. Erin is also available to provide parenting support by liaising with parents and exploring effective ways of managing children's behaviour.

# PIRBRIGHT CLUB CLASS

We are a school that provides an amazing Pirbright experience to our extended services which expanded in September 2018 to include wrap-around care. Pirbright Club Class is run by the school, following the school's ethos, ensuring that pupils never want to go home.
