Trip to Dunster Castle & Coastal Features

On the Wednesday, we will venture back in time as we explore the history of Nettlecombe Court via an activity trail around the building and grounds.

We will then travel to the spectacular medieval village of Dunster to delve even deeper into the past via trails, activities and exploration of Dunster Castle.

After lunch, we will head to the coast for an afternoon investigating coastal features - with hopefully an ice cream thrown in!

Trip to Lynmouth

On the Thursday, we will be completing fieldwork activities along the River Lyn. We will explore its history, including the flood of 1952. This will include a walk along its length down into Lynmouth (and some retail therapy!).
