

PEDALS POINTERS

Have you ever asked your child the question, “What did you do at school today?” and had the response, “I don’t know?”

Here are some conversation starters for those all important after school chats...

1. What lesson did you like best at school today?
2. What part of the day did you enjoy most?
3. Tell me three times you used your pencil/pen today?
4. Did anyone help you today? Or did you help anyone?
5. Tell me something that made you laugh?
6. What are you proud of today?
7. Did anything surprise you today?
8. Who did you play with at lunchtime?
9. What fact or skill did you learn today?
10. What challenged you today?
11. What acts of kindness did you see today?
