Today's Meeting

Welcome and Thank You!

We shared advice and tips on being a School Councillor with the old council and welcomed the new council. We reminisced on our achievements from last year and all the meetings we attended, visitors we supported and changes we were able to make. Thank you last year's team. Once they had departed, we had a good think about what we want to achieve as a School Council this year...

Finley Purbrick (6SF) – Could we have a rainbow bench where lonely children sit and then we could see they were lonely and go and play with them.

Mylee Parker (6DS) – Please can we have another water fountain where we can fill water bottles – ideally another one on each playground but we really need one on KS2.

Eloise Brennan (5LB) – Lunch menus! We have to pay in KS2 so we should have more choice over what we eat; we love sandwiches so more packed lunches?

Izzy Daly (5DC) – More homework for children who are struggling. A book where they can practise with their parents.

Oliver Dalton (4EC) – Ks1 castle! They need their own castle.

Caitlyn Cox (4SC) – Another water bottle filling station.

Sophia Neal (3ND) – Wasp protection for outside eating in the sunshine!

Devon Beck (3CE) – More books for little people!

Nansi Newton (2BT) – No bracelets, rings or make up at school.

Orlaith McConville (2HJ) – No toys in school unless teachers tell you.

Floss Keenan (1JR) & Belle Geeves (1DG) – More animals at the farm!
