Apologies for absence: Annie Lavender (1GE)

Points of Action from Previous Meeting:

- School Council to remind classes with to stick to the timetable for the tyres. **Done!**
- Mrs Dow to investigate skorts further. **Done, available to buy, children are wearing them!**
- Mrs Dow to speak to Mr Dutton about slides. **Done. Not overly successful!**
- PJ Day (totally happening). **Done, wore them at Christmas!**
- Mrs Dow to speak to Miss Todd about French. **Done, Miss Todd is on the French train but will think carefully about Spanish for the future.**
- George to investigate Tree Top Farm situation. **Turns out, we wanted to have tropical bird enclosures up in the trees by the KS2 trim trail. Seems unlikely?! We already have the farm and is caging birds fair?!**

Today's Meeting

1. Mrs Dow had no other business so we spent the time on suggestion boxes.

Suggestion Boxes

- **Superhero Dress Up Day? Can we have one?** *We could dress up as Superheroes for either World Book Day or Red Nose Day. Hopefully all children know about these things.*
- **Monkey Bars on the field?** *Marlee will raise this with Mr Smith and see what he says.*
- **The teachers should do a novelty Cross-Country and see who is the winner!** *It really is all about the children – not sure anyone would be excited to see that!*
- **Build a school swimming pool...** *We have discussed this lots at SC and it always comes back to not enough money or space! Sorry! Unless anyone has any rich parents that want to pay for it?*
- **Be able to put tape over earrings so we can do PE** *Unfortunately, Surrey Schools have decided that tape is not safe so it isn't an option. Luckily, everyone has the long summer holidays when they can get their ears pierced so you need to be organised.*
- **No raisins in the school-based puddings.** *Perhaps this needs further investigation – do all children hate raisins? Are there some raisin lovers? Are we in the midst of a raisin crisis we are unaware of? SC to survey classes.*
- **Basketball Club? Can we have one?** *We used to have one, but not anymore. Mrs Dow will ask Ms Jackson to investigate.*
- **Can we please have seconds for lunch?** *Some children say they have had seconds when they are late to lunch or last (not KS1). Mrs Dow will double check that seconds are on offer when there is food left; HOWEVER, when there are no seconds, this means there is no food waste which is EXCELLENT.*
- **Can we have fun days?** *SC have pointed out that we have special learning challenges which are fun and creative days which are fun. The children appreciated that school is always fun.*
- **Have an outdoor day?** *We do lots of outdoor stuff? Can we have more information about what we are looking for here? What do we want to do on this outdoor day?*
- **Can we have a pool party?** *We don't have a pool... Sorry to break it to you!*

Other stuff we didn't quite get to chat about

- More visits to The Nurture Farm & Forrest School...
- Chicken Nugget Tuesday
- Scavenger Hunt for Toys
- More music lessons – we LOVE it!
- More playground equipment for break and lunchtimes please
- More meat free days – better for the environment so can we please make it work.
