

PIRBRIGHT VILLAGE PRIMARY SCHOOL COUNCIL

Tuesday 1st October 2019

MINUTES

Welcome

Mrs Dow, Erin (1OW), Willow (1DC), Ellie (2HJ), Milo (2SC), Sam (3JP), Eva (3GG), Amalie (4DD), Eva (4SF), Polly (5AW), Eden (5DS), Rhys (6EC), Jemima (6LB).

Apologies for absence:

A special welcome to Mrs Douetil (our Chair of Governors) who has come along today to see how the School Council works together to help the children of the school.

1. School Council Charter

We worked together to come up with the ways in which we intend to work moving forward in small groups and then shared as a whole group.

Action: Mrs Dow to collate into an official charter and share next session.

2. Suggestion Boxes

Replace the sandpit: We're not really sure what the question is? Eva – clarify the question? Jemima – check with Mr Brinicombe about the cover.

A vending machine, can we have one: crowded? Expensive? Too many children? Too much sugar says Ellie.

Hand dryers instead of paper towels: Rhys to investigate – Mr Dutton, Mr Brinicombe & Mrs Müller.

More history weeks: we are loving the making, we are loving the going outside, we are loving learning about Henry VIII and other stuff – please can we do more of this!

Clubs: Before Christmas, we will ask children what clubs they might like for January (Polly).

3. The 2020 “Dragon Fair”

Our special visitor, Mrs Douetil, announced (hot off the press) that the village's theme for next year's fair is going to be The Sea! School Council is welcome to share this with their classes! How exciting!

See you next time!
