Variety of Side Salads

Variety of Desserts

Jackets and Baguettes Available for Children

All served with
Assortment of Desserts
Fresh Fruit

Ordering Family Lunch is different for children and adults. You order for your child using the Cleverchefs iPay system as usual. The menu has been tweaked though so you can choose between meat or veggie options. For your children, you are welcome to select the usual jacket potatoes or baguettes from iPay as they will be available.

If you are ordering for non-Pirbright children (i.e. younger/older siblings, parents, grandparents, anyone else) you need to make an order via MCAS under the trips tab on your app; meals are priced at £3.00 per person. The choice is between meat and veggie and there will be a selection of vegetables and puddings to choose from on the day. Please see the menu for full details of what is on offer.

Closing Date for Bookings: 19th March 2026
