Autumn Term Issue 7 **15th October 2026**

Dear Parents and Carers,
There is excitement in the air for our first Family Lunch of the year! These occasions are always so special, bringing our school community together and giving us the opportunity to share in the joy of school life with our families. There is something particularly lovely about seeing children and their grown-ups enjoying time together in school, and if the weather is kind to us, even better! We are keeping our fingers crossed for a little autumn sunshine to make the occasion even more memorable. A huge thank you to Cleverchefs for all their hard work behind the scenes; a great time to introduce our new chef Louise to you all! Louise has been with us since the start of term and is absolutely fantastic – we are very lucky to have her!

Before this, Year 4 will be entertaining us with their Harvest Assembly which they will be performing to the staff and children. I have heard their rehearsal in the hall whilst walking around and can confirm that we're in for a treat!

Meanwhile, today, a selection of our Year 5 and Year 6 boys and girls are representing the school at a football tournament in Woking. We wish them all the very best and hope they enjoy the experience, demonstrate their skills and, most importantly, have fun. As always, while we love to see our children succeed, representing our school with pride, resilience and respect is all we ask. These values matter just as much as the result and we know our children will do us proud.

This afternoon, I will be visiting Kings International School to lead a Military Hub meeting with colleagues from across the county. This is an important opportunity to work collaboratively to further promote and strengthen the support available to military families within our schools and wider community.

Tomorrow is an INSET day, marking the beginning of the two-week October half-term break for our children. Although the school gates will be closed to pupils, staff will be spending the day together, reflecting on our practice and identifying the next steps in our professional development and in the development of the subjects we lead. This dedicated time is invaluable in helping us continue to improve the learning experiences and opportunities we provide for every child.

As we reach the end of another busy and rewarding half-term, I would like to thank you for your continued support, encouragement and partnership. Our school is at its best when we work together, and I am grateful for the role you play in making it such a positive and welcoming community. I hope you all enjoy a restful, happy and well-deserved half-term break, with plenty of opportunities to relax, spend time together and make some lovely memories. We look forward to welcoming everyone back refreshed and ready for the exciting term ahead.

Kind regards,
Pete
Pete Wright
Head Teacher

Coming Up

OCTOBER
15th – INSET DAY
15th – 15th – HALF TERM
2nd – Start of second half term
4th - Year 3 Visit to Butser Farm

Keeping Children Safe Online

Earrings We really appreciate your support with this; it is so much easier if you are checking your own child and helping them to follow the rules so we don't have to make them take earring out at school.

Permitted: one stud in either or both ears.
Not Permitted: Anything that isn't a stud – this includes all flowers, characters, stars, rainbows, unicorns and anything else. Also, anything more than one earring in either or both ears.

Remembrance
As a school, we will all head down to Brookwood on the morning of **Friday 6th November**, which you are very welcome to join if you can, to have a short Remembrance ceremony. It is always a very special occasion and a lovely opportunity for the whole school to make the journey together. If you would like to come along, please **meet at the KS1 gate for 10:15am** where we will all gather together and then walk over to the ceremony. The gate will remain locked until we are all ready to depart and the children will file out through the gate and you will be able to join the class as they walk past. Reception and Year 6 will go first, then Years 1- 5 in order. There is no need to sign in at the school office, but it would be good to let class teachers know if you are coming so they can keep an eye out for you.

We always represent the school at Brookwood Military Cemetery for their **Sunday service (8th November)** and will be at the cemetery to meet children at **10:15am**. We will wait up on the grassy corner and the end of the road through the first part of the cemetery. Keep walking until you see us! If you would like to leave your children with us to represent the school then you are more than welcome, but you need to remain on site and nearby in case there is an emergency. At the end of the ceremony, please head our way to collect your children – we will keep them with us for the service and hand them back to you. If you would like to come but would also like to spend the time with your children yourselves then that is absolutely fine too: they don't have to join us. Feel free to come and stand with us or near us. We know there will be lots of other children there with Beavers, Cubs and other groups which is always lovely to see so we have no worries about our representation at the event! There is no need for the children to wear their school uniform.

ALL ABOUT ATTENDANCE

At Pirbright, we believe that regular attendance and good punctuality are essential for children to thrive. Being in school every day gives children the best opportunity to learn, develop friendships, feel part of our community and achieve their full potential. We recognise that sometimes coming to school can be difficult. Anxiety, SEND, medical needs, family circumstances and other barriers can all affect attendance. Our approach is always support first: we will listen, understand and work in partnership with families to help children attend regularly.

OUR APPROACH

EXPECT We have high expectations for attendance and punctuality because we know that every school day matters.
MONITOR We regularly monitor attendance and punctuality so that we can identify concerns early.
LISTEN & UNDERSTAND We talk to children and families to understand what is making attendance difficult.
SUPPORT We work with families to remove barriers and put the right support in place.
REVIEW & ESCALATE Where attendance does not improve, we may involve additional professionals and, where necessary, follow formal attendance procedures. Support comes before enforcement wherever possible.

EXPECTATIONS

Parents and carers are responsible for ensuring that their child attends school regularly. Please:

- Bring your child to school every day unless they are genuinely unwell or have an authorised absence.
- Arrive on time and ready to learn.
- Tell us about an absence before 8.30 am on the first day and provide a reason.
- Continue to notify us on each day of absence.
- Arrange medical and dental appointments outside school hours wherever possible.
- Where an appointment must take place during school time, bring your child to school before and/or after the appointment whenever possible.
- Avoid holidays during term time. Leave of absence is only authorised in exceptional circumstances.

Talk to us early if your child is finding school difficult. We are here to help.

PUNCTUALITY MATTERS

Our gates open at 8.10am.

	KS2	Reception & KS1
School Starts	8.45am	9.00am
Register Closes	9.15am	9.15am
Afternoon Register	1.15pm	1.30pm

Arriving after the register has closed is recorded as an unauthorised absence for that session. Even being a few minutes late regularly can mean missing important learning, instructions, introductions, assemblies, and the opportunity to start the day positively.

THE STATS

We aim for children to achieve at least 96% attendance.
96%+ – our expectation
Below 95% – attendance is monitored closely
Below 90% – Persistent Absence (PA)
Below 50% – Severe Absence (SA)
A percentage can sometimes hide the amount of learning missed. Every absence matters and small patterns can quickly add up.

Pirbright X-Country – Friday 13th November – Parents Welcome

The last few years have not been kind to us for our X-Country event with the exceptional rain we have and due to the nature of the field, when it is boggy – it is boggy for a good few months. We said we would review the timing of events with the ever-changing climate and this is the first adaptation we have made - the school's inter-house X-Country events are going early! We don't mind a bit of rain, but hopefully the early date will mean the chance of the field being saturated is much reduced and the even is less likely to be postponed – we can but try!

All children run and all children score points for their house teams. The captains will be on hand to support the littlest legs running around the field – we are always amazed at the bar Reception set in perseverance and resilience! All children can come to school in their PE kit, including their all-important house t-shirt ready for the event. Reception children (and all children new to the school) will receive their t-shirt nearer the day so please don't worry, we have that covered. Parents are welcome to come and spectate; entrance is at the KS2 gate and KS2 children run first from 1:40pm with Reception & KS1 to follow at 2:20pm. Please note, as we have done for the past few years, parents will be asked to stand in an allocated viewing area for the safety of the children! We will be watching the weather closely but really hope this change is for the good!

School Reporters

We may be a small club but we make up for it with enthusiasm and this week this meant two different reports being written! Hope that's ok...

Having quizzed Mrs Saayman last week, we decided we couldn't let Mr Samuel off scot-free. So, with clipboards and Dictaphones (or really just notebooks and pencils) we headed off for the interview of the century.

How are you getting on at Pirbright?
"Very well indeed thank you. In fact, perfect!"
What were your favourite subjects at school?
"Maths and PE"
What are your favourite subjects to teach?
"Maths and PE." (Can you see a common thread?!
Are there any struggles that you might need help with?
"There are just not enough hours in the day to do everything"
Who is the naughtiest person in your class?
"Definitely Mrs Watson ☺"

On Friday last week, Year 5 went on a school trip to the Winchester Science Centre. As they are learning all about space in school, they went to grow their knowledge even further. They visited the planetarium and got to learn lots about the planets and constellations. There were also lots of interactive activities. Our favourite part was getting to see ultra-violet light with some special glasses.

Come and Join Us!
We're hiring so if you are looking for a change of role or fancy coming and joining the fun, we would love to hear from you. All applications must go via e-teach but if you click on the advert, it will take you there.

See Mr Wright or Mrs Dow for a chat if you are interested – we would love to hear from you!

Learning Support Assistant

Pirbright Village Primary School Woking, Surrey

Description | Supporting documents | Employer | Location

We are seeking to appoint an enthusiastic and creative Learning Support Assistant to join our friendly, hardworking and supportive team in this popular village school.

We are looking for a motivated and dedicated person who is both passionate about supporting children's learning and committed to keeping children safe. We offer an ambitious and creative place to work with staff who are happy to assist and support each other. We work collaboratively with other local schools in different ways, including the schools in the Learning Partners Trust, and are constantly on the look-out for opportunities to enhance our provision. The role will involve supporting specific children to access their learning, but also in undertaking other usual classroom duties whilst working alongside the children as directed by the class teacher. This could include reading, administering the ISPs, working with intervention groups, working 1:1 with target children, working in the class alongside the groups and undertaking break and lunch-time duties. All applicants should have the flexibility and potential to work in any year group across the school. Although many of the responsibilities and expectations below are generic to the role of a learning support assistant (LSA), we are looking for someone with experience working with children with SEND, including an understanding of strategies to support children when they dysregulated and reluctant to engage with learning.

CLICK HERE

After half term we have a new LSA joining the team in Year 1, Mrs Laura Reay. We are all very excited for her to start and she has already been in and met the children who were, of course, delightful to her! Welcome Mrs Reay!

Please note the date change for the Y6 WWII Dress Up Day which will now be a week later – 18th November rather than 11th November.

*****Reception Intake SIBLINGS 2027*****

It is essential that you apply for a school place for your children coming into Reception in 2027 – even if you already have children at Pirbright; you must still apply! Please apply! Someone gets caught out every year – don't let it be you!

🎨 Art Aprons & Old Shirts Needed!

We are looking for donations of art aprons, old shirts or large T-shirts for the children to wear during art and messy activities to keep their uniforms clean.

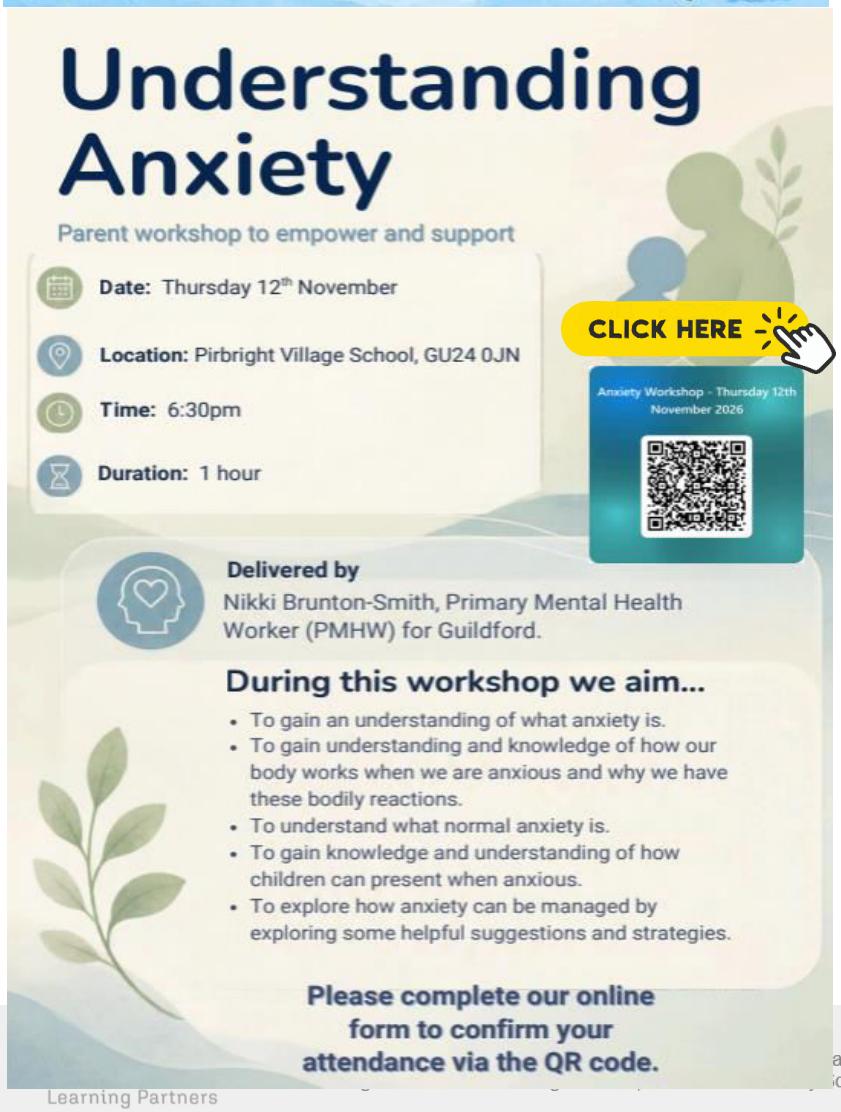

If you have any clean, unwanted items at home that you no longer need, we would be very grateful for your donations. Please give them either to your child's Class Teacher or send them Miss Leppard's way!

Thank you for helping us keep our little artists clean and creative! 🎨

SEND & Pastoral Support Padlet

Just a reminder that Miss Woods and Miss Egelton have a Padlet which is jam packed full of information and resources which you might need as a parent. Whilst they primarily have SEND parents in mind, the wealth of pastoral, learning and parenting based resources is absolutely incredible and will certainly benefit all of our families so please take a look. They will continue to add to it so please let them know if there is anything in particular you would like them to cover.

HEAD TEACHER AWARDS

Head Teacher Awards are given out on a Monday during assembly where we have the opportunity to hear about the children's successes of the previous week and celebrate how they embodied the Pirbright Values.

1	**Matthew Humphreys**	Challenging yourself when showing off your writing skills last week. You wrote a wonderful list (or two!) of equipment that the Three Little Pigs might need by using your phonic knowledge. Then you wrote some lovely sentences about the story using capital letters, full stops and demonstrating your beautiful handwriting too. What a lot to remember!
1	**Olivia Coppard**	Well done, Olivia! You have been a writing superstar this week! You have been using your phonics to help you spell words, remembering your capital letters and full stops, and extending your sentences to add more detail. It has been a pleasure to read your super sentences. Keep shining, Olivia!
2	**Rose Coe**	Using her values of resilience and pride. Rose re did her writing, taking pride in her presentation and showing that she is resilient when she needs to make her work better.
2	**Jackson Beck**	…your fantastic resilience and hard work! From writing your CVC words in our writing lessons to recalling your number bonds to 10 and 100 in maths, you have wowed us with your determination and progress. You should be so proud of yourself, Jackson, because we are certainly very proud of you!
3	**Frank Sommerville**	your great attitude during independent maths learning. You have really focused on the presentation of learning in your book, making it as neat as possible while also trying your best to stay focused. You have even been reaching the extra hot challenges in maths, showing us your full potential! Keep up the good work Frank!
3	**Arthur Howell**	Taking such pride and care in creating both your colour scales piece and silhouette art. You showed attention to detail creating the birds on the branch and took time to ensure it was an effective piece. I have been so proud to see the effort you have put into the rest of your learning. Keep up the great work Arthur.
4	**Maddie Gallagher**	For simply fabulous descriptive writing this week! You have written used some fantastic fronted adverbials in your descriptive sentences about The Moon Festival in The Firework Maker's Daughter. You have beautifully joined-up handwriting and it is always a pleasure to read your writing! I can't wait to read your setting description this week.
4	**Roslyn Scotson**	Being an absolute Maths Superstar! You have shown an excellent understanding of our place value unit and have worked carefully and confidently to apply your knowledge with numbers up to 10,000. You are always ready to explain your approach to more challenging reasoning problems. Keep up the fabulous work!
5	**Sophie Cook**	being a fantastic ambassador for our school on our trip to the Science Museum. You were fully engaged in every activity, spotting learning opportunities everywhere, and showing excellent listening skills in our Star Seekers workshop to enable you to answer challenging questions from the event leader. Well done, Sophie!
5	**Dougie McKie**	being an absolutely fantastic role model every single day! Dougie, this may just be the most overdue certificate to date, because you could have won this award EVERY SINGLE WEEK! Not only are you a superstar every day in school, but on Friday, you went above and beyond by representing our school with such pride at the Winchester Science Centre. Well done, Dougie!
6	**Aine Soto**	… her excellent commitment to all her learning. Aine has had a great start to Year 6 and is an example to others. I've been impressed by all her work, especially her focus on high quality content and presentation. Well done, Aine!
6	**Edie Rosser**	… your hard work and perseverance in Maths last week. You were so determined to be as accurate as you could possibly be when working on long multiplication and you were very successful – keep up this positive attitude and you will do brilliantly this year!

HALF TERM IS HERE! We made it! The first half term of the year is officially DONE, and I think we can all agree that deserves a little celebration!

Happy School Bag – next collection **7th December** so if you are having a clear out in the coming weeks, please hold on and donate to us!

Preloved Uniform COLLECTION – 22nd January – The day to donate any preloved Uniform to FOPS in the morning at drop off by the KS1 entrance.

Preloved Uniform Sale – 29th January

I also wanted to give a gentle reminder that Emma Cameron will be stepping down in April after two fantastic years as Chair of Friends of Pirbright School (FOPS). FOPS is a registered charity, and we need someone to take on the chairperson role to keep our fundraising going. Without a new chair, we simply can't continue with the events and activities that bring so much to our school community. And just think about everything we'd miss… uniform sales, quiz nights, fun runs, Chocolate Bingo, wreath making, panto tickets, summer and winter fairs, Frozen Fridays, cake sales and so much more! It takes a very special person to volunteer their time and energy for a role like this, and I have enormous admiration and respect for anyone willing to step forward and help our school and community thrive.

Could that person be you? Or perhaps you know someone who would be brilliant at it? If you're interested in finding out more about becoming the next FOPS Chair, please get in touch. We'd love to chat! For now, enjoy the half-term break, take a breath, put your feet up (if that's even possible!) and give yourselves a huge pat on the back. You've earned it!

Happy half term, everyone!

CHILDREN'S GUIDE TO MOBILE PHONES AT SCHOOL

We know that some children have a mobile phone because they walk to or from school, or because their grown-ups need to be able to contact them outside of school.

1. Turn your phone off when you arrive at the school gate.

2. Hand it in to the adult on duty at the school gate as you come in OR to the school office, if you come in that way.

3. You can collect it at the end of the school day from the school office. Please leave through the front door (right by the office).

4. You can turn your phone back on when you are out of the school gates.

Autumn & Halloween Nature Mask Creative Craft Hour

Decorate your own autumn nature mask using dried flowers, feathers, leaves & Halloween & autumn treasures.
Keep it wild and woodland, or add a spooky twist if you dare!

Brightwells, Farnham
1.00pm – 2.00pm
2.30pm – 3.30pm
£12 per child
Ages 4+ | All materials included
