SCHOOL COUNCIL MEETING – MINUTES
Date: 04.11.2026
Chair: Mrs Dow
School Council

- **Year 1:** Arabella, Ella & Toby
- **Year 2:** Daisy, Amber & Kit
- **Year 3:** ~~Imogen, Astrid & William~~ (on a school trip)
- **Year 4:** Comfort, Cora & Aaron
- **Year 5:** Tilly, Amabel & Max
- **Year 6:** Frankie & Josh

Total councillors: 17

Extraordinary School Council Meeting: Wearing PE Kits to School
Question: Should children wear their PE kits to school on the days they have PE?
School Council members were very enthusiastic about the idea and engaged in a thoughtful discussion, considering both the advantages and disadvantages.
Positives identified:

- Less time wasted getting changed during the school day.
- More time available for PE lessons.
- Less disruption to learning and transitions.

Concerns raised:

- Children might have to spend the whole day in muddy or dirty PE kits.
- Everyone would need to remember which days they had PE.
- Children felt that teachers should remind them when it was a PE day to help avoid forgetting.

Pupil Voice: Following the discussion, School Council members thought it should be a whole school vote so they returned to class to capture opinions.

The Results
There was strong support for children wearing their PE kits to school on PE days, with 86% of the school (Years 1 – 6) in favour and 14% against.

The School Council's recommendation is therefore to introduce PE kit days, with the important consideration that teachers remind children when they have PE to help them remember. Mrs Dow will share these findings with the Senior Leadership Team and we will discuss the next steps.

Next meeting: Tuesday 10th November 2026 at 2:30pm
