

Dear Parents and Carers

What an absolutely *incredible* evening we had last night at our Summer Concert! I'm still beaming with pride (and just a little relief to be back in my usual comfy clothes after dancing as Posh Spice!). The energy, enthusiasm, and talent on display from every year group made it a night to remember. Each class brought something special to the stage. From the tiniest of Reception stars singing their hearts out, to the impressive choreography from Years 1 through 6 – the creativity and confidence were a joy to see. The amount of effort the children put into their performances was clear, and the cheers from the audience were so well-deserved.

A huge shout-out must go to our brilliant Year 6 pupils, who not only performed superbly but also took on the role of comperes for the evening. Their professionalism, humour, and stage presence kept everything running smoothly and made us all very proud. They truly rose to the occasion and showed great leadership throughout the event. To the staff who choreographed, rehearsed, and yes – joined in for our surprise Spice Girls finale – thank you for going the extra mile to give the children (and parents!) a big laugh to end the night. It was worth every blister!

Finally, thank you to all the families who came to support, applaud, and cheer. Events like these remind us what a special community we have here at Pirbright. Wishing you all a restful weekend – though I have a feeling a few of us will still be humming the tunes well into next week!

I'd also like to take this opportunity to say a big well done to all of the Year 6 children and staff for their amazing efforts with this year's SATs; you have all worked so hard to be the best you can be, and the staff are so very proud of you!

And one final (unashamed) mention of Year 6: last Friday's Leavers' Assembly was an absolute triumph! The children tackled diversity and inclusion beautifully and reminded us of the vales that have supported them throughout their Pirbright journeys.

Ms Jackson has been hard at work on her Final Score Newsletter which sums up all of the wonderful sporting adventures of the Pirbright summer term so please do have a read.

Stay as cool as you can this weekend!

Kind regards,

Pete

Pete Wright

Coming Up June

14th – New Entrants Morning Session (10:30-11:30)

14th – 3.15pm-4.30pm Celebration Afternoon (Parents Welcome)

16th – Leavers' Party (Eve) 5:30pm

17th – Year 6 Fun Day

18th – 10.00am Year 6 Leavers' Assembly (Parents Welcome)

18th – 1.30pm – End of Term

18th - Cake Sale (Year 1 to Lead)

The Summer Concert (under challenging photography conditions!)

PERMISSION TO CYCLE/ WALK TO AND FROM SCHOOL – KS2

In preparation for next year (we do like to be organised!) the form for allowing children to cycle/walk to and from school unaccompanied, is available for you to complete NOW. Your child should not cycle/walk to school until you have completed the form, even if you completed it this year. We insist that all cyclists wear a helmet when cycling to and from school. The link is below and if you click on it, it will take you to a Google Form to complete.

PLEASE USE NEXT YEAR'S CLASS TEACHER TO COMPLETE THE FORM!

Please note, we will not allow anyone home unaccompanied on the first day back in September unless you have completed a new form for the year.

Keeping Children Safe Online

Did you know?

Our online wellbeing is important. From exacerbating FOMO (fear of missing out) through inviting unflattering comparisons with other people's carefully curated social media feeds to increasing screen time at the cost of invaluable sleep or exercise. Many aspects of people's online lives and activities can potentially damage their emotional and mental wellbeing. Even regular reminders of basic guidelines - like taking regular breaks, checking their privacy settings and being careful about what they share - can help young internet users to avoid common online hazards that could lead to them feeling unhappy. Have a look at this quick reminder of the top tips for online wellbeing.

Annual Reports & Celebration Afternoon – 14th July 3:15pm – 4:00pm

Today, your children will come home with an envelope containing their annual report, which we invite you to spend some time reading and digesting. It is written by the teachers **for parents**; it celebrates the good things and the challenges that children have faced in the year. It also contains a RAG rating for your child's success against the national End of Year Expectations; not all children will meet these for a variety of reasons but do consider how you share this information with them, as we work hard to ensure that children recognise their individual success and they may find the stark Red, Amber, Green nature disappointing. This is key information for parents that we have to report; it is not something you have to share with your children. There is a box for effort which would be a better thing to reflect upon with your children – they can definitely focus on this!

Monday is an entirely optional drop-in session where you can have a quick catch-up with the teachers before your child moves on, and look over their books if you would like to. There are no appointments, it is open door and a little like a Learning Look! It's a great chance to thank staff for their efforts over the year if you would like to come along and see them.

SEND & Pastoral Support Padlet

Miss Woods and Miss Egelton have been very busy putting together a Padlet which is jam packed full of information and resources which you might need as a parent. Whilst they primarily have SEND parents in mind, the wealth of pastoral, learning and parenting based resources is absolutely incredible and will certainly benefit all of our families so please take a look. They will continue to add to it so please let them know if there is anything in particular you would like them to cover.

Please Help – if you can!

Parents always ask us how they can help out at school and we will pop a Wish List onto the back of the topic webs and letters which go out after the Meet the Teacher sessions in September with some things which would be useful for our classrooms if you wanted to donate – much appreciated! It would be really helpful if children had full pencil cases with equipment that we actually use in school. Some children have the most expensive sets of gel pens (that we don't need!) but can never find a rubber or a pencil. When you are preparing for the return to school, sending your child in with a fully named pencil case full of essentials, would be much preferred to sets of felt pens and all-singing and dancing pencil cases. **From Y3 up**, a pencil, rubber, ruler, sharpener, glue stick and black handwriting pen would be amazing (and the ability to top up at home when needed). **Year 2** need the same but without the handwriting pen. We've got Reception and Year 1 covered, so no need for pencil cases at all (but we wouldn't say no to a class donation of something useful!).

New After School Gym Club

Ms Jackson has been liaising with PLL Group who offer coaching to children in all sports across Surrey this term and is so pleased to have them booked in to run gymnastics for children for the autumn term for KS2 children. Booking is open now so please head to their website if you are interested.

11/09/2025 to 04/12/2025

After School Club: £8.50

Availability - Good

Welcome to our Pirbright Village School Sports Club booking page.

Our Gymnastics Club will run from 15:15-16:15 in the schools hall. Children will have fun while developing key skills such as balance, strength, coordination, and flexibility through engaging activities and structured routines.

Please make sure you include all medical details on the registration process.

For any more information please call 01483 968 849 or email brad@pllgroup.co.uk

After School Club: £8.50

Availability - Good

Mornin' fellas,

Make sure you wear suncream.

You and I both know it's busy at the moment but we are on the last lap, and this time next week you'll not be giving school another thought for approximately five and a half weeks (the last few days of school hols you'll be panicking that you weren't slightly more 'on it' and had the foresight to book a slot at Clarks for shoes, cursing the sky that your child has grown 3 inches in six weeks owed to a diet consisting mostly of pomme frites and ice cream, whilst desperately trying to win the war on Smiggle stationary....) We are nearly at the finish line and we have just a few things to remember before we can down tools!

Frozen Friday – tonight, at pick up! Bring your 50p's for a refreshing after school snack! For the love of all things frosty, set a reminder in ya phone.

We have not had many volunteers for class reps.... Yet. There's still time. We do need to know names before the school holidays so that we know who to invite to the secret midnight initiation ceremony where we all sit around the round table, wear the sacred class rep cape, swear an oath on the holy manuscript (the newsletter) and undertake a series of challenges to demonstrate just how agile our thumbs are typing WhatsApp messages. It's all good fun. One person is murdered every week. Hang on, am I getting mixed up with the Traitors? Could be... Anyway, if you like the idea of being a class rep then contact your current rep before the end of term. WE NEED YOU.

Finally, a chance to have YOUR SAY! We would like to invite you to email your suggestions for any fundraising initiatives to the FOPS email address: Pirbrightfops@yahoo.co.uk or drop us a line via our Instagram page @pirbrightfops – If you have seen a fundraising initiative that worked well in a different school, or just one you think would be awesome then let us know! I actually have quite a few good ideas – imagine a FOPS BAR serving margaritas after drop-off in the morning? Actually... why don't we already do that? Will flag that with Steph and Emma immediately. Leave it with me, guys.

Anyway, I hope you have a lovely last week – and rounded off so beautifully by the summer concert last night – easily my favourite night of the year! If you saw me staggering around with my camping trolley and an empty bottle of prosecco, no you didn't and mind ya business. Hats off to our amazing children who sang their socks off and the teachers for doing the legwork and getting them concert ready! Huge thanks to the Cricket Club for running the bar! We hope you also enjoyed the burger van, and the ice cream van! Oh, what a night!

I don't know if I'm writing this newsletter next week – but my full end of year newsletter is decidedly grown up and formal (she's versatile) so for all things FOPS look out for that – fundraising totals across the year, who's doing what and ways you can get involved. If we don't see each other before summer, then have a brilliant time and I look forward to hearing all about it in September. Trust me on the sun cream.

Year 6 Enterprise

Year 6 will be selling ice lollies as their enterprise project in the final week as a summer-time treat!

When? Lunch Time Mon 14th & Tues 15th July

Where? KS1 and KS2 Playground

What and How Much?

Friends of Pirbright Surgery - Open evening

Monday, 15 September 2025 at 7.30pm

On Monday, 15 September at 7.30 in Lord Pirbright's Hall, Pirbright Surgery will host an Information evening sharing the latest news from the Surgery and the NHS >> plus an update on the new Triage appointment booking system.

Also, Dr Ellie Atkins will join us to talk about how we can cope with the challenges of our children, families, and ourselves, when suffering from mental health issues such as anxiety and self-harm. She will also talk about autism. Her work puts her in a great position to be able to help us all cope with these issues.

Dr Atkins is a Consultant Clinical Psychologist whose career spans 30 years, across both the NHS and private practice. Ellie's current work for the NHS is within the Neonatal Operational Delivery Network, and previously in the Paediatric Psychology Service at St George's Hospital, and CAMHS. Together with her private practice in Guildford, this puts Ellie in a unique position to provide insight into mental health and in particular, how this affects children and their families. Dr Atkins will cover 3 topics, with a space for questions at the end of each. The first topic will be a general overview of mental health with a focus on anxiety, the second topic will be on autism, and the final topic will be on self-harm.
