

Dear Parents and Carers,

It has been another busy and rewarding week here at school, and I am delighted to share some of our highlights with you. We thoroughly enjoyed this morning's class assembly, where 2BT did an absolutely excellent job of both entertaining us and teaching us about their recent learning. The children spoke clearly and confidently, sharing their knowledge with pride and enthusiasm. It was wonderful to see how much they have learned, and I know you would have been just as proud of them as we were. Well done, 2BT!

I am also pleased to share that our final Year 6 Bikeability group has now completed their course. The children should be extremely proud of themselves for their commitment, resilience and positive attitude throughout the programme. Learning to cycle safely on the roads is such an important life skill. I hope that all of the children who took part enjoyed the experience and feel more confident as a result.

It was a shame that our cross-country event had to be postponed due to the weather and ground conditions. However, the safety of our children always comes first. We are very much looking forward to the new event date of Friday 13th March – fingers crossed for some dry weather in between.

I am happy to announce that we have been offered the opportunity for parents to attend an online Zoom with behaviour expert, Charlotte Clarke from Navigate Education (<https://www.letusnavigate.com/>). Charlotte has a depth of experience regarding child bereavement and would welcome any parent who feels they would like advice to further support their child. The Zoom is on **Thursday 5th March at 8.00pm** and the link is: <https://us06web.zoom.us/meeting/register/y1NL6nlQTkKYEiFwg7PMCA>

As we reach the end of this half term, I would like to thank you for your continued support. I wish you all a very happy and restful half term break, and we look forward to welcoming the children back refreshed and ready for the next exciting chapter of learning.

Kind regards

Pete

HEAD TEACHER AWARDS

Attendance Matters
 Congratulations to 5GJ, 4LB & 1RG who have achieved the half term attendance award with the most weekly stars – well done team! They will be awarded the (new) coveted trophies in assembly (KS2 will have to share!) on our return and have a class treat to book with their teacher for an afternoon of fun.

HEAD TEACHER AWARDS are given out on a Thursday during assembly where we have the opportunity to hear about the children’s successes of the previous week and celebrate how they embodied the Pirbright Values.

Supporting Safe Use of AI

Following a successful Internet Safety Day 2026, themed “Smart tech, safe choices – Exploring the safe and responsible use of AI,” this week’s #WakeUpWednesday guide offers a clear and accessible introduction to artificial intelligence (AI). The guide breaks down what AI really is, helping adults explain it clearly and accurately so children don’t overestimate its abilities or trust it unquestioningly. It explores how AI systems work, where they appear online, and why understanding them matters. It also highlights key online safety considerations, including misinformation, data privacy, bias and over-reliance on AI tools. With practical advice on setting boundaries, choosing age-appropriate platforms and encouraging ethical, creative use, it empowers adults to build digital literacy while keeping children safe.

Uniform

We absolutely understand that it is pretty chilly at the moment but there is a strange combo happening where children are wearing shorts + base layer/tracksuit or even a skirt + base layer/tracksuit which looks very strange indeed. If this is your child, can we recommend a trip to Sainsbury's over the half term to pick them up some trousers instead. Base layers can be worn under PE kits but for daily uniform, they can be either vests on top or under trousers on the bottom. Thank you!

School Reporters

Did you know that at Pirbright Village Primary School we are lucky enough to have our own Forest School area?

During the year, every class gets to visit for sessions that link to their topic or learning. Whilst there, we get to do yarn crafts, build fires and even play in the muddy puddles. Just remember to bring your wellies! Our favourite activities this year have been den building and the mud kitchen although we are excited about roasting marshmallows in our final session.

FEBRUARY HALF-TERM & EASTER HOLIDAY CLUB – BOOK NOW! TIME-TRAVEL ADVENTURES (16 – 20 FEBRUARY)

Join us this February Half Term as we explore different times in history together. Each day will focus on a new time and will be filled with craft activities 🧶, games 🎲, play 🎭, friendship 🤝, and plenty of fun in a relaxed and welcoming environment, run by the familiar faces of our lovely Pirbright Club Class team.

Children will have the chance to learn about-dinosaurs 🦖, knights 🏰, ancient civilisations 👑, and even imagine what the future 🚀 might be like through age-appropriate activities and creative play.

Friday Dress-Up Day

Children are welcome to dress as their favourite time-travel character if they'd like. Ideas include dinosaurs 🦖, knights 🏰, pharaohs 👑, pirates 🏴‍☠️, or future explorers 🚀.

(Please don't worry if you don't have dress-up — we have plenty of costumes available).

If you don't ask... FOPS money has been earmarked with all additional school funds (these are few and far between to be honest!) for a potential new DT kitchen which will also benefit Club Class and be amazing. However, we still need other stuff! The projector in the hall is on its last legs and we would love to replace it with a decent, mahoosive screen (reinforced for ball games of course!) which is pretty pricey. Anyone got a spare £3K they'd like to donate? Work for a firm who could sponsor it (hello tax write off?). We'd be happy to emblazon your logo across it for evermore? Indoctrinate the children so they only bank with you in the future? Christmas Play tickets in the front row for life...? See Mrs Dow if you are keen 😊

Zones of Regulation

This term we are using *Zones of Regulation* in PSHE to help children understand and manage their emotions. We will share weekly updates in the newsletter, along with ideas to support learning at home. A parent guide and more information are available on the website. [HERE](#)

PARENTS' GUIDE VIDEO CLICK HERE

Concept 6 - Situations that Trigger and Spark

WHAT ARE WE LEARNING?

We are learning to identify our triggers and sparks. Triggers and sparks are situations that cause us to feel less regulated.

A **trigger** is an unwelcome event or sensation that causes uncomfortable feelings, such as anger, worry, sadness, or panic. This may cause us to change Zones.

A **spark** is a welcome event or sensation that causes stronger feelings of joy, such as excitement, elation, or silliness. Even positive events can change our Zones.

WHY IS IT IMPORTANT?

- When we're aware of our triggers and sparks, we're less surprised when our feelings change and more ready to regulate them.
- Sharing our triggers and sparks with others help us understand and support each other.

ASK AND SHARE

To help with learning, discuss these questions together.

- *What is a trigger you've noticed this week? How did it change your Zone?*
- *What is a spark you've noticed this week? How did it change your Zone?*
- *Find some triggers and sparks you have in common.*

BRIDGE ACTIVITY: TRIGGERS AND SPARKS FISHBOWL GAME

- 1 Everyone writes or draws a personal trigger and spark on separate squares of paper and places it in the bowl. Players can add more than one of each.
- 2 Take turns picking one from the bowl. Act out what you picked. Provide clues without revealing the answer.
- 3 Everyone else tries to guess the trigger or spark and who added it.

Challenge: Play additional rounds, only giving one-word clues and/or acting it out silently.

Year 1 Superstars!

Congratulations to our Year 1 sports team who went over to Guildford Spectrum with Mrs People and Mrs Steel to compete in the Sportshall Competition this week. Out of eighteen schools, they came FIRST! Apparently, their Pirbright Values were on full show for everyone to see – we're all very proud of them! Well done Year 1!

The Travelling Book Fair at Pirbright – Parent Volunteers Needed!

We're very excited to announce that the Travelling Book Fair will be visiting us from **11th–17th March!** This event is always a highlight for the children and, as well as encouraging a love of reading, every purchase helps raise valuable funds to buy new books for the school.

To make it as successful as in previous years, we would be incredibly grateful for volunteers. We are looking for help with morning (8:15–9:00am) and afternoon (3:15–4:00pm) shifts — or even both.

If you're available and willing to lend a hand, we would really appreciate your support.

Please contact btodd@pirbright.surrey.sch.uk if you can help.

FRIDAY 6TH MARCH, WORLD BOOK DAY!

WE CAN'T WAIT TO READ YOUR WORK!

The KS2 Short Story Competition

We are back in business for another round of The KS2 Short Story Competition. Now in its 4th year, local author, Elspeth Leadbetter, launched the competition with a writing workshop on Thursday afternoon exploring emotions in a story. We drew some very funny rollercoasters! It was brilliantly linked to our learning on The Zones of Regulation and much appreciated - the children loved it.

Returning to the competition alongside Elspeth will be Louise Fein and Jacqueline Sutherland on the judging panel. Children have until 6th March to hand in their entries; all details can be found on the poster ← Good luck!

World Thinking Day – Monday 23rd February

Monday 23rd February is World Thinking Day when Girl Guides and Girl Scouts & Rainbows everywhere remember each other and reaffirm their commitment to international friendship and understanding. On World Thinking Day, Girl Guides and Girl Scouts all over the world do something special to celebrate - watching the sunrise, holding an act of worship, having an international party or undertaking an extra service project. On World Thinking Day, we would like to invite the girls to wear their uniforms into school to remind us all of their commitment to their respective organisations. In order to promote gender equality, we would also like to invite the boys who attend Beavers, Cubs or Scouts to wear their uniforms into school as an act of solidarity and so we can celebrate all of the contributions made by Pirbright children to the wider community.

Dress-Up Days

Every year we celebrate World Book Day and every other year we celebrate Comic Relief – this year it is the double whammy! Whilst we wouldn't say we are low-key when it comes to dressing up here (Mr Fuller once dressed up as a full shower system, including the curtain!) – we certainly are low pressure for parents and will take absolutely anything that works for you! We don't have "best dressed" prizes as we know the pressure this can add.

World Book Day – Celebrated at Pirbright on **FRIDAY 6th March** (celebrated nationally on Thursday 5th but no one needs a Thursday dress up day in their life!). Please come to school dressed as a book character or anything inspired by a book. We'll take (almost) anything!

Comic Relief – **Friday 20th March** – Anything funny for money. As wild or sedate as you would like.

If you are in Year 3 and you choose Cleopatra you could attempt the triple triple. World Book Day – "Anthony & Cleopatra", very high brow. Comic Relief – Cleopatra with a red wig, hilarious. Year 3 Egyptian Day – actual Cleopatra! Win, win, win!

Whilst we're talking fashion... it is also **FOPS Mufti** on **27th February** and they would love an **Easter egg** donation (for Chocolate Bingo) so maybe grab one now whilst they are on offer as we are far too early for Easter eggs. No one at Pirbright has already polished off a bag of Mini Eggs...

Pirbright X-Country – Friday 13th March – Parents Welcome

2026's Sporting Calendar kicks off in a few weeks with the school's inter-house X-Country events. All children run and all children score points for their house teams. The captains will be on hand to support the littlest legs running around the field – we are always amazed at the bar Reception set in perseverance and resilience! All children can come to school in their PE kit, including their all-important house t-shirt ready for the event. Reception children (and all children new to the school) will receive their t-shirt nearer the day so please don't worry, we have that covered. Parents are welcome to come and spectate; entrance is at the KS2 gate and KS2 children run first from 1:40pm with Reception & KS1 to follow at 2:20pm. Please note, as we have done for the past few years, parents will be asked to stand in an allocated viewing area for the safety of the children!

Let's Celebrate Pirbright

If your child "achieves" or takes part in something special outside of school (local football team, village show, scouts award, sporting event and the like) then please send a photo and a short description to Mrs Dow either at her email address or at celebrate@pirbright.surrey.sch.uk and she will pop it up on the display board in the hall for all to admire.

It's half term! Wave your hands in the air and get down in the club because school is out! Time to kick back and relax, pull the cork out the wine bottle with my teeth and take up my favourite ever position: the horizontal sofa enthusiast. Oh no, wait – we're all parents. Lego it is. Lego and fish fingers.

We have quite a lot going on in the world of FOPS – last week, everyone went out on the lash and got all fired up with new fundraising ideas. It was lovely to see familiar faces, as well as some newbies who want to join the coolest group of foxy fundraising enthusiasts you ever did meet. I, sadly, was not in attendance, but my husband reported back to me that it was a fantastic evening, and he loved the energy in the room. And the beer. Lots of super cool new ideas were floated, and I love that parents who are new to the school bring with them a wealth of ideas and things that worked well in their last school! Thanks to all who came along!

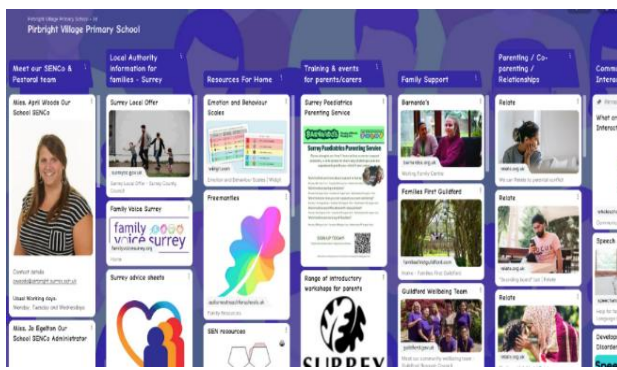

CHOCOLATE BINGO – tickets go on sale very soon – and it's happening on the **20th of March 2026!** Keep your eyes peeled for our poster, which is going to be circulating soon. I love chocolate bingo, it's hands-down the best school event, in my humble opinion. It's so wholesome; my kids love it and it's one of those events that we can all enjoy as a family. You can also pre-order hot dogs, and there's often little bags of pick and mix and popcorn and I just love seeing the youngest kids who are still working on their pen-holding searching for their bingo numbers with help from their adult folk, and the oldest kids getting competitive and cheering each other on – sometimes opting to sit together in groups with their mates. It's unmissable. I really can't recommend it highly enough.

Happy School Baggers raised £178 for FOPS – well done all!

There's talk of a **FUN RUN** on the Green for **Armed Forces Day on Saturday 27th of June!** I really might think about taking part because I need to do less horizontal sofa lounging and this feels very do-able. The clues in the name – FUN RUN. Pretty sure that's legally binding. FUN GUARANTEED. Bring ya' kids. And Electrolytes.

To finish up, **SUMMER FAIR – 4TH JULY** – who's gonna take charge? We need eager volunteers. No experience required. We've had some amazing people lead the fair previously, and some incredible themes over the years. Try something new – make it your own! Rope your mates in. Teamwork makes the dream work, guys. Show of hands?

SEND & Pastoral Support Padlet
 Just a reminder that Miss Woods and Miss Egelton have been very busy putting together a Padlet which is jam packed full of information and resources which you might need as a parent. Whilst they primarily have SEND parents in mind, the wealth of pastoral, learning and parenting based resources is absolutely incredible and will certainly benefit all of our families so please take a look. They will continue to add to it so please let them know if there is anything in particular you would like them to cover.

 - Helpful strategies to for managing daily routines and transitions between home and school
 - Planning for school holidays in the way that supports your child's needs
 - Signposting to local and nationwide support services for families

Please RSVP to register your interest to attend, so we can gauge numbers: awoods@pirbright.surrey.sch.uk

MCAS - My Child At School

It is essential that we have THREE emergency contacts for children. Please log onto MCAS and add an extra one or two if you are missing some. We would really appreciate your support with this — it helps us to keep your children safe. Thank you!

We said this last week and have learned a valuable lesson that parents cannot login and add contacts! So sorry! We're all learning the magical ways of MCAS together. Please have a look on there and if you realise you are short on contacts, email info@... And we will manually put in on there for you. THANK YOU!

We are going to start moving email communication over to MCAS (rather than SCOPAY) from **after half term** and will use up until Easter as a transition period to get everyone moved across. Please expect emails from MCAS and from SCOPAY for the newsletter and other official communication from Friday 27th February and let us know if there is an issue. Now is a great time to log onto MCAS and have a good look around the system and see what it looks like. From the summer term we hope to have moved to MCAS for all communication via email.
