

Dear Parents and Carers,

What a difference a little sunshine makes! The recent improvement in the weather has certainly lifted spirits around school, and it almost feels as though spring may have arrived already. The children have been making the most of brighter playtimes and enjoying being outdoors again - long may it continue!

Next week promises to be a busy and exciting. On Tuesday, we look forward to welcoming Knaphill to for both the Year 5/6 girls' and Year 5 boys' matches. We wish our teams the very best of luck and thank you in advance for your support from the side lines. On Wednesday, some of the Year 4 pupils will be taking part in their Sportshall Athletics event. This is always a fantastic occasion that celebrates teamwork, determination and sporting spirit. We are incredibly proud of the enthusiasm our children show at these events and know they will represent the school brilliantly.

Friday brings with it a much-anticipated highlight of the term: World Book Day! We are very much looking forward to celebrating our love of reading as a whole school community. Children are invited to come dressed as a favourite book character or in something inspired by reading. A gentle reminder that World Book Day is not a competition and there is absolutely no expectation that families purchase elaborate costumes online that will only be worn once. Some of the most wonderful costumes we see each year are the simplest and most imaginative; often created from items already at home. A homemade prop, a creative use of colour or even bringing along a favourite book to share can be just as special. The focus is on celebrating stories, authors and the joy that reading brings.

Also on Friday morning, FOPS will be holding a Pre-Loved Uniform Sale at 8:30am on the Key Stage 1 playground. This is a fantastic opportunity to pick up a bargain and support sustainable practices within our school community. Do come along and see what is available.

Thank you, as always, for your continued support. We look forward to a busy and enjoyable week ahead.

Kind regards

*Pete*

Pete Wright

Head Teacher

We would like to extend a warm welcome to Mr Andy Hague who joins us as a student teacher in Year 1, working alongside Mrs Gifford. Mr Hague usually works at The Royal Grammar School at Guildford but has come to us for a Key Stage 1 placement and will be here until May, learning all of the wonderful things about Pirbright and hopefully imparting some knowledge onto the children in IDG! Please do say hello if you see him.

 Congratulations to Charlotte (Y1) on her half marathon and to Callum (Y3) and Albie (Y5) on their full marathon awards. Excellent running!

HEAD TEACHER AWARDS are given out on a Thursday during assembly where we have the opportunity to hear about the children's successes of the previous week and celebrate how they embodied the Pirbright Values.

## Keeping Children Safe Online

**Do you know what your child does online and how safe they are?** We have teamed up with Daniel Sykes from the Cyber Protect Team at Surrey & Sussex Police and will be hosting an online session about how to protect children from online harm. The session is designed to give parents easy to implement advice so that they can help their children to grow up in the digital age with confidence and security.

**Key Topics Include:**

- Online Risk:** The art of spotting a scam and keeping children safe from harm and criminal activity online.
- Social Media and Chatroom Safety:** The risks of social media, social engineering, disinformation, AI, privacy and account compromises.
- Gaming:** Understand what the risks are to young people when they are gaming, and discover how to monitor and restrict their use.
- Cyber Security For Parents:** learn how to secure devices and keep children safe.

**Q&A:** Ask us anything!

## Screen Addiction

It can be challenging for parents and carers to know whether children are spending too much time on their digital devices. It's even more of a conundrum to decide whether a child is just deeply engaged with the internet and social media, or genuinely addicted to it. As technology becomes more pervasive in all of our lives, many children and young people in particular are beginning to experience tech-related dependencies. As trusted adults, do we have the right knowledge to identify and support children and young people who might be developing an addiction to their devices? In this guide, you'll find tips on avoiding potential risks such as damage to health and wellbeing, app addiction and a lack of sleep.

## CLUB CLASS: FEBRUARY HALF-TERM

What a brilliant week we had at our **Time-Travel Adventures** club! The children travelled through time, exploring dinosaurs, knights, ancient civilizations, and even imagining the future through creative, age-appropriate activities.

Each day was packed with crafts, games, imaginative play, friendship and teamwork. A real highlight was our daily cooking sessions, where the children prepared tasty themed treats - building confidence, independence, and lots of excitement along the way!

It was a week full of laughter, creativity, and happy faces in our relaxed and welcoming environment with the familiar PCC team.

📷 Photos from the week can be found [here](#).

🌸 **Bookings are now open for our Easter Club!**

Please note this will run for four days only (30<sup>th</sup> March – 2<sup>nd</sup> April) due to the Easter Bank Holiday weekend — we can't wait for another fun-filled adventure together!

## Uniform

We absolutely understand that it is pretty chilly at the moment but there is a strange combo happening where children are wearing shorts + base layer/tracksuit or even a skirt + base layer/tracksuit which looks very strange indeed. If this is your child, can we recommend a trip to Sainsbury's over the half term to pick them up some trousers instead. Base layers can be worn under PE kits but for daily uniform, they can be either vests on top or under trousers on the bottom. Thank you!

**If you don't ask...** FOPS money has been earmarked, with all additional school funds (these are few and far between to be honest!), for a potential new DT kitchen which will also benefit Club Class and be amazing. However, we still need other stuff! The projector in the hall is on its last legs and we would love to replace it with a decent, mahosive screen (reinforced for ball games of course!) which is pretty pricey. Anyone got a spare £3K they'd like to donate? Work for a firm who could sponsor it (hello tax write off?). We'd be happy to emblazon your logo across it for evermore? Indoctrinate the children so they only bank with you in the future? Christmas Plav tickets in the front row for life...? See Mrs Dow if you are keen 😊

# Zones of Regulation

This term we are using *Zones of Regulation* in PSHE to help children understand and manage their emotions. We will share weekly updates in the newsletter, along with ideas to support learning at home. A parent guide and more information are available on the website. [HERE!](#)

**PARENTS'  
GUIDE VIDEO

## Concept 7 - What is a Regulation Tool?

### WHAT ARE WE LEARNING?

We learned that a **regulation tool** is a strategy or something we do to help us regulate our feelings, energy, and behavior.

- Regulation tools include strategies within us, such as deep breathing, stretching, or positive self-talk, as well as things in the space around us, such as drinking water or using a fidget.
- We use The Zones of Regulation to categorize regulation tools by how they help:

#### BLUE ZONE TOOLS

Help us feel energized, comforted, or rested.

#### GREEN ZONE TOOLS

Help us feel well, healthy, alert, or focused.

#### YELLOW ZONE TOOLS

Help us slow down and feel in control and calmer.

#### RED ZONE TOOLS

Help us feel safe, more in control, and calmer.

- A **Zones Toolbox** is a collection of regulation tools. Over time, each of us will work to build a Zones Toolbox.

### WHY IS IT IMPORTANT?

Regulation tools help our brain and body work together. These tools work and feel a little differently for each of us. Knowing the tools that work for each of our Zones and organizing them into a Zones Toolbox makes it easier to find the right tool when we need it.

### ASK AND SHARE

To help with learning, discuss these questions together.

- *What are some regulation tools we have around us?*
- *Can you think of a time you have used a regulation tool? How did it help you?*

## BRIDGE ACTIVITY: BUILD A GROUP (OR FAMILY) TOOLBOX

1. Set out the *Our Toolbox* visual in an open space, such as a table or rug.
2. Set a timer for four minutes.
3. Everyone tries to find a regulation object for each Zone.
4. Bring the object to the *Our Toolbox* visual and place it next to the colored Zone it helps you regulate. If anyone chooses a tool within them, they can write it on a sticky note.
5. Discuss the tools everyone chose for each Zone and how they help. Did people choose the same tool for the same Zones?
6. Add the common tools to each colored Zone on the visual.
7. Hang the *Our Toolbox* visual up where everyone will see it regularly.

# Zones of Regulation

I wonder how you are feeling?

## The Travelling Book Fair at Pirbright – Parent Volunteers Needed!

We're very excited to announce that the Travelling Book Fair will be visiting us from **11th–17th March!** This event is always a highlight for the children and, as well as encouraging a love of reading, every purchase helps raise valuable funds to buy new books for the school.

To make it as successful as in previous years, we would be incredibly grateful for volunteers. We are looking for help with morning (8:15–9:00am) and afternoon (3:15–4:00pm) shifts — or even both.

If you're available and willing to lend a hand, we would really appreciate your support.

Please contact [btodd@pirbright.surrey.sch.uk](mailto:btodd@pirbright.surrey.sch.uk) if you can help.

## THE PVPS ANNUAL SHORT STORY COMPETITION IS BACK FOR 2026

Prizes for best overall story and best story per year group

### HOW TO ENTER

Electronic submissions to be emailed to [pirbrightshortstorycomp@gmail.com](mailto:pirbrightshortstorycomp@gmail.com)  
Handwritten entries to be handed in to Mrs Dow's office

Judged by actual real-life authors  
Louise Fein & Jacqueline Sutherland

Entry rules: Stories must be your own work  
– either handwritten or typed KS2 year groups only

Entries close on

FRIDAY 6TH MARCH, WORLD BOOK DAY!

WE CAN'T WAIT TO READ YOUR WORK!

## The KS2 Short Story Competition

We are back in business for another round of The KS2 Short Story Competition. Now in its 4<sup>th</sup> year, local author, Elspeth Leadbetter, launched the competition with a writing workshop on Thursday afternoon exploring emotions in a story. We drew some very funny rollercoasters! It was brilliantly linked to our learning on The Zones of Regulation and much appreciated - the children loved it.

Returning to the competition alongside Elspeth will be Louise Fein and Jacqueline Sutherland on the judging panel. Children have until 6th March to hand in their entries; all details can be found on the poster ← Good luck!

## Dress-Up Days

Every year we celebrate World Book Day and every other year we celebrate Comic Relief – this year it is the double whammy! Whilst we wouldn't say we are low-key when it comes to dressing up here (Mr Fuller once dressed up as a full shower system, including the curtain!) – we certainly are low pressure for parents and will take absolutely anything that works for you! We don't have "best dressed" prizes as we know the pressure this can add.

**World Book Day** – Celebrated at Pirbright on **FRIDAY 6<sup>th</sup> March** (celebrated nationally on Thursday 5<sup>th</sup> but no one needs a Thursday dress up day in their life!). Please come to school dressed as a book character or anything inspired by a book. We'll take (almost) anything!

**Comic Relief** – **Friday 20<sup>th</sup> March** – Anything funny for money. As wild or sedate as you would like.

If you are in Year 3 and you choose Cleopatra you could attempt the triple. World Book Day – "Anthony & Cleopatra", very high brow. Comic Relief – Cleopatra with a red wig, hilarious. Year 3 Egyptian Day – actual Cleopatra! Win, win, win!

## Pirbright X-Country – Friday 13th March – Parents Welcome

2026's Sporting Calendar kicks off in a few weeks with the school's inter-house X-Country events. All children run and all children score points for their house teams. The captains will be on hand to support the littlest legs running around the field – we are always amazed at the bar Reception set in perseverance and resilience! All children can come to school in their PE kit, including their all-important house t-shirt ready for the event. Reception children (and all children new to the school) will receive their t-shirt nearer the day so please don't worry, we have that covered. Parents are welcome to come and spectate; entrance is at the KS2 gate and KS2 children run first from 1:40pm with Reception & KS1 to follow at 2:20pm. Please note, as we have done for the past few years, parents will be asked to stand in an allocated viewing area for the safety of the children!

## Let's Celebrate Pirbright

If your child "achieves" or takes part in something special outside of school (local football team, village show, scouts award, sporting event and the like) then please send a photo and a short description to Mrs Dow either at her email address or at [celebrate@pirbright.surrey.sch.uk](mailto:celebrate@pirbright.surrey.sch.uk) and she will pop it up on the display board in the hall for all to admire.

**Attention all Musical Theatre Lovers!**

Mrs Peers and Mrs Davies are running their annual theatre trip on Wednesday 20<sup>th</sup> May, 2026.

This year, we are going to see 'Barnum, The Circus Musical' at Woking's New Victoria Theatre (matinee performance)

We are so excited about this trip and invite any interested children (Key Stage 2 only) to express their interest by emailing;

[cpeers@pirbright.surrey.sch.uk](mailto:cpeers@pirbright.surrey.sch.uk)

Names will be randomly selected just before February half term. 30 spaces available

\*\*\*\*\*Please include your child's FULL NAME and class\*\*\*\*\*

**3 SPACES REMAINING**

Here we are again, at the end of our first week back since half term. And guess what, only four weeks until Easter Hols! I know right, you start breaking your life down into half termly chunks and suddenly you're nearly at your next birthday and that cream you bought in the vain effort to do something about your forehead wrinkles didn't work and you probably do need to cut out ultra-processed foods and stop eating the kids' monster munch. I had all these plans for new year, new me, and guess what – it's nearly March and I'm still very much me. I'm spiralling. What am I supposed to be talking about? SCHOOL FUNDRAISING. How's that going?

Quite well. It's going quite well. We're busy organising **CHOCOLATE BINGO** – you can buy tickets here: [www.pta-events.co.uk/fops](http://www.pta-events.co.uk/fops) I think I could recap the 241 reasons why I love chocolate bingo but I'm low on word count thanks to earlier mid-life crisis. It's a great night, kids love it, there's chocolate.

We know we spend a lot of time asking for volunteers, money for this, easter eggs for that, cakes, uniform donations, old clothing donations.... So, we thought we'd just refresh everyone's memory on this fine day as to WHY we are always standing here with our cap in hand. What does FOPS pay for? Where does your money go?

Right now, we're on a mission to raise as much money as we can towards the new Home Technology Suite. It's expensive, as so many things in life are... Champagne... Things that aren't on Nectar prices... Mini Eggs.... But the benefit to our children, and generations of Pirbright children to come is huge. We are lucky that our school is always thinking of new ways to enhance the education our children receive, to give them more tools to work with, and wants them to benefit from amazing, dedicated facilities.

It's expensive to the tune of about twenty-five thousand bags of mini eggs – and that's why we need to put as much effort as we can into fundraising! You may not know that FOPS also funds the Play Pod, as well as the school gardener. Those interactive whiteboard screens in every classroom? FOPS. Those gazebos on sports day? FOPS. That holiday I took last year? Just kidding... But it's with your support that this is all possible, and together we are making a difference. I feel like we all got lucky getting our kids into Pirbright Village Primary School, so we'll just keep paying it forward. One Easter Egg at a time.

Have a great week!

SWEET FUN FOR EVERYONE!

### SEND & Pastoral Support Padlet

Just a reminder that Miss Woods and Miss Egelton have been very busy putting together a Padlet which is jam packed full of information and resources which you might need as a parent. Whilst they primarily have SEND parents in mind, the wealth of pastoral, learning and parenting based resources is absolutely incredible and will certainly benefit all of our families so please take a look. They will continue to add to it so please let them know if there is anything in particular you wish for them to cover.

## Supporting Neurodiversity At Home and Introduction to ND Padlet Coffee Morning

**Wednesday 25<sup>th</sup> March 2026 -**

**9am**

**All parents and carers are welcome!**

This session is a chance to hear about the ND Padlet for Parents and Carers and chat with a SEND Support or Neurodiversity Advisor from Surrey County Council's Team Around the School Support Hub

#### The informal presentation will include:

- An introduction to the ND Padlet – a free online hub for printable resources for home use
- Helpful strategies for managing daily routines and transitions between home and school
- Planning for school holidays in the way that supports your child's needs
- Signposting to local and nationwide support services for families

**Please RSVP to register your interest to attend, so we can gauge numbers: [awoods@pirbright.surrey.sch.uk](mailto:awoods@pirbright.surrey.sch.uk)**

### MCAS - My Child At School

We are going to start moving email communication over to MCAS (rather than SCOPAY) from **now** and will use up until Easter as a transition period to get everyone moved across. Please expect emails from MCAS and from SCOPAY for the newsletter and other official communication from Friday 27<sup>th</sup> February and let us know if there is an issue. Now is a great time to log onto MCAS and have a good look around the system and see what it looks like. From the summer term we hope to have moved to MCAS for all communication via email.
