

Dear Parents and Carers,

What a wonderfully busy and exciting first week back after the half-term break it has been! Despite some rather unpredictable weather, our children have enjoyed a range of enriching experiences both in and out of school.

On Tuesday, Year 1 managed to dodge much of the rain as they visited the British Wildlife Centre. The children were delighted to encounter a variety of native animals, including foxes, hedgehogs, owls and deer, to name but a few. It was a fantastic opportunity to bring their learning to life and develop a greater appreciation of British wildlife.

Meanwhile, back at school, Year 2 fully immersed themselves in their Victorian Day. Dressed as children from the era, they experienced a taste of what school life was like more than 100 years ago. From traditional lessons to strict classroom expectations, the children embraced the day with enthusiasm and curiosity.

Wednesday saw Year 4 travel to Fishbourne Roman Palace. Once again, they managed to avoid much of the rain and enjoyed a fascinating day consolidating their learning about the Romans. Exploring the remarkable remains of the palace provided a valuable insight into Roman Britain and helped bring their classroom studies to life.

Yesterday, our Year 6 pupils worked tirelessly to raise funds for their upcoming residential trip. They organised and ran a range of circus-themed games and stalls for children across the school to enjoy. It was wonderful to see their creativity, teamwork and determination on display, and I would like to thank everyone who supported their efforts at The Money Circus.

The excitement certainly doesn't stop there! Next week, our Year 6 pupils head off on their residential visit from Tuesday through to Friday, an experience that always creates lasting memories and develops independence and resilience. We also look forward to welcoming Zoolab into Reception, where the children will have the opportunity to encounter a variety of animals up close as part of a hands-on workshop.

Thanks to Club Class for putting together the school's entry into the Pirbright Village Fair which is on tomorrow. Based on the theme All Creatures Great & Small, we have gone with All Pupils Great & Small: Reception to Year 6!

The summer term really is an eventful time, filled with opportunities for learning, exploration and memorable experiences. Thank you, as always, for your continued support. We look forward to sharing many more exciting events with you over the coming weeks.

Kind regards

Pete

Pete Wright, Head Teacher

Coming Up

MAY

8th Year 5/6 District Sports @ Woking Sportsbox

10th - Year 5 Girls' & Year 6 Girls' Cricket 10:30 – 3:00

Uniform reminder – any **cycling shorts** worn under skirts/dresses are welcome but **MUST** be in plain school colours (white, blue, grey or black). Thanks!

HEAD TEACHER AWARDS are given out on a Thursday during assembly where we have the opportunity to hear about the children's successes of the previous week and celebrate how they embodied the Pirbright Values.

Keeping Children Safe Online

[CLICK HERE](#)

Image Altering Filters

Image-altering filters are now part of everyday online interactions, from playful effects to subtle appearance edits. This guide explores how they can influence perceptions of beauty and reality, particularly for children and young people on social media. It highlights risks such as low self-esteem, social pressure, hidden advertising, and more serious concerns like sexualised edits and blurred boundaries between real and altered images. It also offers practical advice to help parents and educators build media literacy, boost confidence, and support healthier relationships with online content.

The Sporting Calendar

We pride ourselves in entering as many external festivals and competitions as possible here at Pirbright School. The wide range of sporting activities are designed to cater for children of all abilities and levels of experience. We enter both festivals and competitions, providing opportunities for children who may be trying an activity for the first time, as well as those who demonstrate particular talent and enthusiasm in a sport.

The selection process involves a great deal of thought and consideration. When selecting teams, we look not only at sporting performance but also at the qualities that make a great team member. Children who consistently demonstrate excellent teamwork, sportspersonship, commitment and our Pirbright values during PE lessons and lunchtime clubs will certainly be considered for selection.

We would appreciate it if parents didn't make contact to try and book their children into matches or events like District Sports. They are on the calendar so they are booked in the school diary; rest assured – we will be in contact with you if we would like your child to participate. There are always limited spaces and we can never take everyone; we appreciate your trust that we are doing our best to pick the most appropriate team. Thank you!

Pirbright Club Class: Holiday Club – May Half Term

The weather was absolutely glorious throughout the week, with soaring temperatures and lots of sunshine. We made the most of the hot weather by spending plenty of time outdoors, enjoying water play, games, and adventures in the fresh air while making sure everyone stayed cool and hydrated. We were especially thankful for the wonderful air conditioning in the Music Suite, which provided a cool and comfortable space to relax, create, and escape the heat during the hottest parts of the day.

Our budding gardeners took great care of the vegetable garden we created during Easter Club, checking on its progress and helping it thrive. We were also lucky to help care for the pigs, making sure they stayed cool and hydrated in the hot weather by giving them plenty of water.

The smiles, laughter and excitement captured in the photos say it all! Please take a look at the pictures to see some of the wonderful activities and memories made during an enjoyable week.

A huge thank you to all the children for their enthusiasm, energy and positive attitudes. We had an amazing time and can't wait for our next PCC Holiday Club adventure!

Look out for details of our Summer Club coming soon! We will be running sessions for the first four weeks of the summer holidays, from **20th July to 14th August**, with lots more exciting activities, adventures and fun planned.

TICKS

As the weather gets warmer, children are spending more time outdoors and ticks become more active. While tick bites are usually harmless, it is important to know how to check for and remove ticks safely. Please take a moment to read the NHS guidance below to help keep your family safe while enjoying the outdoors.

<https://www.nhsinform.scot/illnesses-and-conditions/injuries/skin-injuries/tick-bites/>

Changes to Free School Meals (from September 2026)

We would like to inform you about important national changes to Free School Meals (FSM) that will take effect from September 2026. These changes may affect your child's eligibility, either now or in the future.

What is changing?

From September 2026 all children in households receiving Universal Credit will be eligible for free school meals, regardless of income. This means many more families will be able to access free school meals.

End of current protections

At present, once a child qualifies for free school meals, they usually keep that entitlement even if family circumstances change; this is called Transitional Protection. This protection will continue until the end of the 2025/26 school year. From September 2026, eligibility will be based on your current circumstances. This means some children may gain or lose eligibility depending on changes to household income or benefits.

Important: You still need to apply!

Even if you receive Universal Credit, free school meals are not automatically given. You must still apply through school. If you think your child may be eligible, we strongly encourage you to apply.

Why apply?

Registering for free school meals can:-

- Provide free, nutritious lunches for your child.
- Help the school access additional funding to support pupils.
- Ensure you receive any related support you may be entitled to.

What should you do now?

- If your child already receives free school meals you do not need to take action at this stage. We will contact you if anything changes.
- If you think you may be eligible, please contact the school as soon as possible.
- If your circumstances change, please notify the school at your earliest convenience.

These changes are designed to help more families access free school meals, when they need them. We encourage all parents who may be eligible to apply and ensure they receive the support available.

Sports Day & Family Lunch

We are very much looking forward to welcoming everyone in for Sports Day & Family Lunch on **Friday 19th June**. The menu is → and already loaded onto IPAY for you to order for your children. Ordering for adults, pre-school and post-primary siblings and extended family is open on MCAS so you can start ordering now! **All orders must be done by Monday 15th June.** Please see the guide attached for how to order on MCAS for adults.

Following the adaptations made to last year's itinerary due to the hot weather, feedback from parents was very positive. We have decided to keep this adapted timetable (which will become the new plan moving forward) and enjoy a slightly quieter crowd and less waiting time for children and adults in KS2 so feel free to just come along for your timeslot if this is better for you.

Key Stage 2 events will kick off at 9:30am (entry via the KS2 gate) and should be finished by 11:30am. Family Lunch will then begin and continue until around 1:15pm with the KS1 and Reception events beginning at 1:30pm. We aim to finish at around 3pm. If you are onsite for Sports Day then you will naturally roll into Family Lunch (feel free to bring a picnic if you would prefer), but if you are just coming for Family Lunch, and perhaps staying for Sports Day in the afternoon, **entry is via the KS1 gate** where you will be able to collect your children and start your lunch. You're welcome any time after 11:30am but might want to keep an eye on the lunch queue and play for a little while first. We aim to be all done and dusted by 3pm.

As always, please ensure your child has their cap in school, a water bottle and suntan lotion applied. All children will need their coloured team t-shirts on the day with their blue PE shorts and trainers (not plimsolls).

Next Year's Classes
 As communicated in the newsletter over the last few weeks, the class teachers in Years R, 2 & 4 are beginning the mix-up process. This consultation with staff and children is taken very seriously and takes about six weeks from start to finish so we can get it right. Class swap sessions for everyone are on the calendar and dates list for June (w/b 15th) which is when the children will find out who their new class teachers are – this information will be shared with them on the first Move-Up session when they go straight to their new teacher. This is incredibly early compared to most schools, but we value the time it takes staff to do the mix-up and the importance of a good transition for children with lots of time to process and get used to what September looks like. Please don't ask class teachers for information that they cannot share with you; they are working hard for your children and we appreciate your trust.

An Opportunity For You!
 Our school has been offered a free opportunity run by Barnardo's Children's Charity. This is funded by Mindworks Surrey.

Does your child have ADHD or are you wondering if they do?
 Do you want to find out more about ADHD?
 Are you supporting children with ADHD?

Come to our coffee morning!

We are offering a coffee morning in
The Science Lab
Pirbright Village Primary School
July 7th 2026 from 9am – 10:00am

We will help you to find out more about:

- Mindworks Surrey
- The services we offer to support families with ADHD or ADHD type behaviours.
- ADHD
- An overview of characteristics
- Communication
- How we can help

There will be opportunities to ask questions of our professionals during the session.

Come along and find out about the support we can offer families.

Just a little reminder that our last Learning Look of this school year will take place today, on **Friday 5th June 2025**. This time, it will take place at the end of the school day so please head to your child's classroom from **2.45pm to 3.10pm**. This will give you the opportunity to look at books, displays and other pieces of work to celebrate your child's learning with them. During the session, we would love you to chat to your child about what they are proud of and write a positive comment on a Proud Scroll about what has made you feel proud. These sessions are entirely optional but if you are unable to attend it is really useful if we know in advance; particularly in KS1 and Reception. Please let your child's class teacher know so your child can be paired up with another family, a friend or school adult. Also, please note that the session **finishes at 3.10pm** so the children have a few minutes to gather their home time things and say goodbye before meeting you outside the classroom (or meeting spot if they are in KS2).

Yo, yo, yo! 6 weeks to go! Last half term of the year – can't believe it. We say it every year, but honestly where did all the time go?

After a week of magnificent weather for half term, we've been welcomed back to reality with rain so heavy, it set my car alarm off. At least the plants are happy...

All things FOPS....

Tonight – **FROZEN FRIDAY** after school! We had a few teething issues with SumUp last time, but they will be taking card and cash payments at pickup today.

ONE MORE WEEK to purchase **LEGOLAND** tickets – if you don't know, FOPS have managed to secure half price entry tickets to Legoland Windsor for the 29th June (inset day) - last chance to grab a bargain here: www.pta-events.co.uk/fops

4TH JULY – CIRCUS SUMMER FAIR – 75% sold so don't hang about if you do want to attend the circus with your children! Tickets are really reasonable and it's a professional travelling circus... plus if this weather keeps up, it's a dry day of inside entertainment. That or we'll all be boiling in a tent. You never can tell. At least no one's asked* me to dress as an Oompa Loompa this time... on the hottest day of the year.... In a green wig. Appalling breach of my human rights that was.

(*all my idea. No one did ask. Regretted it 21 seconds into my shift)

BIG PUSH FOR THE FUN RUN. 27th June! It starts at 8.45am down by the cricket pavilion and we are really encouraging kids and families to get involved because

a) Lots of kids are already showing real promise as young runners – look at sports day! The cross-country event! **THE DAILY MILE!** I watch all these events happen in awe of our youngsters and their commitment to running – and with the fun day run, every runner gets a medal. A lovely, heavy, solid medal. Couldn't be better – 1.5 miles or 3, let's get our kids involved.

b) Isn't it just NICE? We're always looking for new ways to bring our school community together - yes, FOPS is about fundraising, but it's also about hosting community events that actually serve our community – this is a nice chance for families who maybe wouldn't typically head out for a Saturday morning run to get out and active together. Exercise gives you an amazing dopamine hit – meaning you can feel good about jogging alongside your tiny besties and know they're feeling good too.

There will be an assembly happening about **MILES FOR SMILES** in the coming weeks so when your kids come home and are keen to take part – you can book tickets here: www.pta-events.co.uk/fops

Running-out-of-space-so

BE THE BEST

SAVING ENERGY PIRBRIGHT VILLAGE FAIR 2026 POSTER COMPETITION!

Design a poster about 'Saving Energy'
for a chance to win a £50 prize

Saving energy has never been more important for our planet
- from switching off lights at home to turning off computers at school.

The Pirbright Institute, sponsors of Pirbright Village Fair, are offering local primary school children the chance to win £50 prize by designing an A4-size poster using pencils, paints or a cutout collage to illustrate 'Saving Energy' - one of the Institute's key aims in 2026.

WHO CAN ENTER?
The competition is open to pupils at Pirbright, Knowle Hill and Brookwood primary schools.

HOW TO ENTER?
Simply bring your completed artwork to the Show Ring at Pirbright Village Fair at 12 noon on Saturday 6 June - and remember to write your name, age and school on the back of your poster. The entries will be judged on the day and a winner announced at 3pm by a senior leader from The Pirbright Institute.

Good luck with your artwork!
The Pirbright Institute
